### CHAIRMAN'S ADDRESS

*May I, as Chairman of Regatta Festival '80 Committee, welcome all our visitors and friends to what we hope will be a very enjoyable fortnight. As you read through our Programme you will see that we have tried to cater for all ages. Such a varied programme would not be possible without the support we have received from our sponsors and the various clubs and organisations who have worked so hard to organise events for our Festival Fortnight. In arranging the Programme my work has been made lighter by a very hardworking Secretary and Committee. I should like to take this opportunity of offering them my sincere thanks.*

*This year, for the first time, we have a youth section as part of our Organising Committee. It is marvellous to see the young people of Wicklow taking such an interest in the Festival.*

*Finally, now that the stage is set, I know the people of Wicklow will support all our events and help to make this a highly successful Regatta '80.*

BOB JACKSON.
